01

## Answer 10 questions

Your current state, blockers, and goals — honest and specific.

02

## Get scored on 5 dimensions

We surface your career type with a personalized snapshot of where you are.

03

## Leave with a plan

3 specific next actions, 5 roles that fit, and your shareable statement.

*Most career tools give you a personality type and a pat on the back. **TrajectIQ** gives you a measurable next step, a target role, and the positioning to land it.*
